

# 2017 Focus: Resilient Homes and Communities

## \$75 Peace Club Meeting

Primary school students are sensitized to gender, religious, and ethnic prejudice in their community, and are becoming advocates for peace.

## \$160 Shepherd School

Teenage shepherds are educated to the level of primary school equivalency which prepares them for new learning opportunities.

## \$65 Goats for Moms

A nanny goat and veterinary medicines will help a Maasai mom begin a goat herd that provides more milk for her children and helps earn income.

## \$100 Family Health Training

Maasai women who received livestock loans will be trained in reproductive health, family planning, and child health and nutrition.
